

FOCUS FABRIC

The system includes a frame, fabric graphic, Velcro perimeters and bag.

Accessories include 75 Watt Floodlights or 200 Watt Halogen Lights.

Are you looking to gain maximum attention with minimal effort? Then the Focus Fabric Pop-Up Fabric System is the answer for you. Large-format dye sublimation brings full color graphics to your audience in an instant, with this extremely easy-to-assemble display system.

Great Value and Great Quality:

- Graphic stays attached to frame for easy set-up and transporting
- Hook perimeter and end panel brackets included with every frame, means frame can accommodate graphic with or without end panels
- Different fabric material options available
- Incredibly easy, two-minute set-up without tools
- Oversized carrying bag included with every frame
- Variety of sizes available: 8 straight frames and 2 curved frames

INCLUDED

MediaScreen 1 base, graphic, Pop-up frame with adjustable leveling feet and velcro perimeters, fabric graphic attached, and oversized carrying bag
