

MEDIASCREEN 4

MediaScreen 4 is manufactured from the highest quality materials and has a sleek, simple design.

With a few simple steps, the graphic and media roll can be removed and easily exchanged with a new message.

MediaScreen 4 is a user-friendly retractable display with a unique solution that enables you to easily change the graphics by yourself. It is the perfect choice when you want to use one display for several different graphics. You can change your message in a few easy steps. Simply remove one graphic media roll and replace it with a new one.

The smart telescopic pole, enables you to easily adjust the height to fit your message. This retractable banner display is manufactured with very high quality materials and has a slim and elegant design. You can set up the MediaScreen 4 in 30 seconds and it is delivered in a practical nylon bag for easy transport and storage. An optional spotlight is also available to illuminate your message.
