

REVUE SCROLLING BANNER

ReVue Floor Model is portable, simple to set-up and takes up minimal floor space.

ReVue Hanging model includes brackets and fittings to suspend it from the ceiling or other support structure.

ReVue Scrolling banners offer you an eye-catching indoor visual merchandising option, with a continual graphic loop that scrolls vertically... perfect for multiple messages or images. Choose from a fantastic Floor Model or Hanging Model that is able to suspend from truss, ceilings, walls or any place above. Your message is relayed in a constant motion - slow enough to read, yet fast enough to attract interest!

Scrolling banners are great for Exhibitions, P.O.P., Retail and/or Event Marketing. Portable, simple to set-up and takes up minimal floor space. Allows for custom length and includes brackets and fittings to suspend it from the ceiling or other support structure.
