

STAND UP COUNTER

Generous space for your message! Choose between Info or Universal style counters.

The interior shelf offers space for extra material.

All surfaces sell. That's why the Stand Up Counter was designed in such a way that it functions as a representative meeting point for demonstrations and as an attractive display area.

Stand Up is easy to assemble and can favorably be combined with our other display systems. It also has excellent storage space for brochures and anything else that needs to be stored away. All the panels are already in place in the system during transport. Simply add the shelf and the tabletop and you have a complete counter!

INCLUDED

Stand Up frame, graphic panels, a tabletop in MDF with a beech veneer finish, an interior shelf and a padded nylon transport bag with shoulder strap.
