

X BANNER

Poles adjust for various heights.

Poles fit into the supporting feet and a button is used to adjust the feet width.

X Banner is a lightweight banner system that is ideal for high volume applications at a low cost. The banner stand is made with a flexible carbon fiber pole to provide tension. With a viewable image area with varying heights and widths, the X banner provides instant impact anywhere!

X banner is available in silver finish and comes in a protective carrying bag. It is also available in a double sided unit for maximizing your message.

INCLUDED

X Banner's supporting feet and fiber glass poles, graphic and nylon carrying bag
